Tony Lim

PENULTIMATE SOFTWARE ENGINEERING STUDENT

+64 22 061 1495 | tonylim8669@gmail.com | tonylxm.com | GitHub | LinkedIn | Auckland, NZ

EDUCATION

The University of Auckland Expected: Nov 2025

Bachelor of Engineering (Honours) – Software Engineering

- Engineering GPA: 8.5/9 (A/A+)
- Dean's Honours List (2023) – top 5% of cohort
- Dean's Leadership Programme (2024)
- Top Achiever's Scholarship ($20 000)

EXPERIENCE

Software Development Intern | *Angular, TypeScript, Node.js, SQL, Bootstrap 3* Dec 2023 – Feb 2024

Emergency Q

- Full stack development for an award-winning healthtech company reducing wait times by transferring 160,000+ patients out of hospital emergency departments into primary care.
- Automated **30 min manual work** per Emergency Q product demonstration by implementing changes to patient management portal.
- Designed **8 new API endpoints** and integrated with frontend and **AWS Lambda microservice** architecture.
- Fixed **6 production bugs**, preventing potential disruptions to customer experience.

PROJECTS

EscAIpe Room Game | *Java, JavaFX, CSS* GitHub Repository

- Worked in a team of 3 developers to create an escape room GUI application for our 'client' Brain-e-Riddlers.
- Integration of **OpenAI API** generates unique riddles and personifies gamemaster AI with prompt engineering.
- Incorporating **multithreading** improved response times significantly, saving **3 seconds delay** per request.

XV (X/Twitter clone) | *React, JavaScript, Firebase, TailwindCSS* Deployed Application

- Worked in a team of 5 developers at the SESA x WDCC Hackathon 2023 to build a full stack medieval social media web app with real-time feed, character limiting feature and friending system.
- Text and image upload, landing page, sign in/sign up with secure authentication.

LEADERSHIP

President Oct 2023 - present

Software Engineering Students Association (SESA)

- Leading an executive team of 17 to run social and professional career events for our **450+ members**.
- Leading hackathon committee to organise and run the annual SESA x WDCC Hackathon - **NZ's largest student-run hackathon** with **100+ attendees** and **10+ teams** competing.

Software Engineering Cohort Representative Feb 2023 - Nov 2023

UoA Student-Staff Consultative Committee

- Gathered and presented feedback to AUSA, Faculty of Engineering and the ECSE department.
- Organised and ran the annual ECSE Electives Night for **100+ attendees.**

TECHNICAL SKILLS

Languages: Java, TypeScript/JavaScript, Python, HTML/CSS, SQL, C, MATLAB, LaTeX
Frameworks: React, Angular, Tailwind CSS, Bootstrap 3, Mocha (component, unit & integration testing)
Technologies: Node.js, Git/GitHub, AWS Lambda, MySQL, Bitbucket
